COLOLIGHT Triangle

USER MANUAL

LS320AB | LS320BB | LS320CB

PRODUCT INTRODUCTION

PRODUCT INSTRUCTION

Step 1. Check that the product and all accessories in the box are intact and complete according to the packing list.

Step 2. Install the Light Source.

Step 3. Place the mounting bracket, screw kit and tape on a flat surface. Mark the drilling holes according to the wall template. Make sure the tape is flat and the screws are level.

Step 4. After finishing the installation, you can start to pair the device to app.

Note: Lightness of light source is not equal to power, but the brightness can be adjusted in app and voice control (Apple Homekit, Google Assistant or Alexa).

Please keep all the screws in the wall mounting bracket, and use the tap screw to fix the bracket on the wall. If the wall is made of plasterboard, please use the wall anchor to fix the bracket tight after pre-drilling.

Please keep the cable clip and cable adhesive base in the accessory box, and use them to organize the power cable. Please keep the velcro tape in the box, and use it to fix the power adapter. Please keep the cable adhesive cover in the box, and use it to protect the cable.

CONTENTS

LS320AB

- Light Source x1
- Power Adapter x1
- Power Cable x1
- Mounting Bracket x1
- Screw Kit x1
- Hex Key x1
- Wall Anchor x4
- Tap Screw x4
- Hook x2
- Tape x2
- Wall Template x1
- Cable Ties x3
- Cable Clip x1
- Cable Adhesive Base x1
- Cable Adhesive Cover x1
- Velcro Tape x1

LS320BB

- Light Source x1
- Power Adapter x1
- Power Cable x1
- Mounting Bracket x1
- Screw Kit x1
- Hex Key x1
- Wall Anchor x4
- Tap Screw x4
- Hook x2
- Tape x2
- Wall Template x1
- Cable Ties x3
- Cable Clip x1
- Cable Adhesive Base x1
- Cable Adhesive Cover x1
- Velcro Tape x1

LS320CB

- Light Source x1
- Power Adapter x1
- Power Cable x1

APP INSTRUCTION

1. Find the APP in App Store/Google Play, or scan ADD Device to download App.
2. Find and Install Smart Life/Tuya Smart App.
3. Open App and Register an Account, Log in to Smart Life/Tuya Smart App.
4. Add Device, Select Lighting, Select Triangle Light, Enter Pairing Mode, Confirm and Add.
5. If Device Added Also Work in Compatible Apps, Enjoy Voice Control.

SPECIFICATIONS

	LS320AB/LS320AB/LS320CB
Model	TRI-1000-W-Matter
Dimension	1000*1000*50mm
Light Emitting Surface	90.7
Power	24 - 28
Operating temperature	-10-40°C
Operating humidity	10-90%RH
Protection	IP20
Material	PC
Wattage	24W Max/ 28W Max/ 34W Max
Connectivity	Matter/Wifi/Bluetooth/ZigBee
Dimmable	Yes
Adjustable color temperature	Yes
CRI	80 Min/90 Min

HAZARDOUS SUBSTANCE TABLE

Part Name		Lead (Pb)	Cadmium (Cd)	Hexavalent Chromium (Cr6+)	Mercury (Hg)
Assembly Equipment	PCB	O	O	O	O
	Wire	O	O	O	O
	Plastic Shell	O	O	O	O
	Screw	O	O	O	O
	Other Accessories	O	O	O	O

This table is made according to SJ/T 11364 and GB/T26572

O: Expresses that this hazardous substance in all homogeneous materials of this part is below the limit requirement of SJ/T 11363-2006 standard.

X: Expresses that this hazardous substance in at least one homogeneous material of this part is above limit

FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference,

(2) This device must accept any interference received, including interference that may cause undesired operation.

Note: This product is not responsible for any radio or tv modifications and unauthorized operations to this equipment. Such modifications could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy, and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

(1) Reorient or relocate the receiving antenna.

(2) Increase the separation between the equipment and receiver.

(3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

(4) Consult the dealer or an experienced radio/TV technician for help.

FCC RF Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body.

CE & WEEE STATEMENT

DECLARATION OF CONFORMITY

Hereby, Shenzhen Lifetime Technology Co., Ltd. declares that this equipment complies with the essential requirements and other relevant provisions of Directive 2014/53/EU. The declaration of conformity may be consulted at the address: www.lifetime-group.com/ce-declaration

CE

Notice: This device may be used in all countries within the EU.

WEEE Directive compliance

The WEEE Directive requires that products sold into the European Union at the consumer stage, or ancillary equipment sold into the European Union, must be capable of being run for a period of time without causing harm to the environment.

WARNING

Do not open the product yourself and hand over your warranty card. Contact your retailer or the manufacturer if the product is not working properly or if there is a fault. Only a qualified specialist company may open the device in the event of a fault.

WARRANTY & SUPPORT

Please keep your receipt and the original packaging in a safe place for 2 years. Contact your retailer or the manufacturer if the product is not working properly or if there is a fault. Only a qualified specialist company may open the device in the event of a fault. Please keep your receipt and the original packaging in a safe place for 2 years. Contact your retailer or the manufacturer if the product is not working properly or if there is a fault. Only a qualified specialist company may open the device in the event of a fault.

The following conditions are not covered by the warranty:

Damage caused by improper installation, incorrect connection, improper use, improper maintenance, or unauthorized modification.

Normal wear and tear of the product, including but not limited to fading of the surface, scratches, or minor deformation.

Damage caused by force majeure, such as natural disasters, fire, flood, lightning, or other external factors.

Product failure or damage caused by third-party products or accessories not recommended by the manufacturer.
