CUBE Environmental Sensor Model. LS063WH
Setting up your LifeSmart CUBE Environmental Sensor
User Guide V 1.0

CUBE Environmental Sensor

- ① LCD Screen
- ② Light Sensor
- ③ Battery Cover

PRODUCT INTRODUCTION

The CUBE Environmental Sensor levels the temperature, humidity and illumination in your home or office. The sensor becomes a powerful tool to trigger other devices to perform actions based on settings when it is paired with other LifeSmart products. Is the air too dry? The humidifier is on. Is your room too hot? The air conditioner is on. The light can be turned on automatically when there is no enough light. Your home environment is always monitored properly with LifeSmart CUBE Environmental Sensor. With the help of LifeSmart Cloud services and other amazing technologies, every single home will become a smart home, every single office will become a smart office. LifeSmart, Simply Brilliant.

WARRANTY DESCRIPTION

Thank you for purchasing this LifeSmart product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart will provide a free replacement.

WARRANTY DESCRIPTION

The following conditions are not covered by the warranty:

- Product failure or damage caused by installation, use, and maintenance that is not in accordance with the product instructions;
- Products beyond the warranty period;
- Products that have the barcode tampered with or removed;
- Devices that have been tampered with or customized outside of LifeSmart Terms Of Service as on the LifeSmart App and website;
- User-caused damage, such as inappropriate voltage input, high temperature, accidental spillage, physical damage, etc;
- Product failure or damage caused by force majeure such as earthquakes, fires, or floods;
- Product failure or damage caused by other problems except the product itself;

ATTENTION

- This product can be placed anywhere in the home, or it can be pasted on the wall, door or window frame with double-sided tape;
- This product is a professional equipment and needs to be placed where children cannot be used;
- This product uses button cell batteries. Keep children away from new and used batteries;
- Do not ingest battery. If the battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death;
- If the battery cover does not close securely, stop using the product and keep it away from children;

If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
