SPOT Mini Universal Remote Controller (CoSS)

Setting up your LifeSmart SPOT Mini Model. LS251WH/BL

User Guide Version 1.0

PRODUCT INTRODUCTION

SPOT Mini, a Universal Remote Controller, a fantastic product to simplify your life. It does not only simply replace the traditional remote controls, but also interacts with other LifeSmarts products via Smart Station. Televisions, air conditioners, fans, any IR device can be controlled by this SPOT Mini. The SPOT Mini can be installed on the wall with an iron plate. By an easy setup, it can trigger the lighting, the sound and other home appliances intelligently.

ILLUSTRATION

EASY SETUP

NOTE: The iron plate may need to be purchased separately, please refer to the actual product and contact your dealer.

- The SPOT Mini can be easily mounted on the wall by using screws or double-sided tape to fix the iron plate to the wall, and then magnetically attract the product to the iron plate.
- If the iron plate is found fixed on the product when unboxing, it can be easily removed by pressing the corner.

EASY SETUP

SPOT Mini requires the LifeSmart App and Smart Station to operate. Please download the App to your smart devices. The App is available by scanning the following QR Code or download directly from Google Play or iOS App Store.

▶ Method 1

<http://www.ilifsmart.com/getapp.html>

▶ Method 2

EASY SETUP

- ① After configuration of the Smart Station, choose “**Add Device**” in LifeSmart App, select “**SOPT Mini**” (LS251WH/BL) to enter pairing process.
- ② Follow the instruction on the app to finish pairing.
- ③ If a time-out error occurs, please repeat step 1-3 until it's successfully paired.
- ④ Now you are ready to add and control your home appliances with the SPOT Mini.
- ⑤ Add remote control codes to your App, set schedules to activate your devices ,or use one-button function to trigger multiple devices.
- ⑥ Optionally, add sensors and other LifeSmart's products to the smart system, more smart scenes and linkages can be realized.

WARRANTY DESCRIPTION

Thank you for purchasing LifeSmart products. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase. Or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart will provide a free replacement.

ATTENTION

The following conditions are not covered by the warranty:

- Product failure or damage caused by installation, use, and maintenance that is not in accordance with the product instructions;
- Products beyond the warranty period;
- Products that have the barcode tampered with or removed;
- Devices that have been tampered with or customized outside of LifeSmart Terms Of Service as on the LifeSmart App and website;
- User-caused damage, such as inappropriate voltage input, high temperature, accidental spillage, physical damage, etc;
- Product failure or damage caused by force majeure such as earthquakes, fires, or floods;
- Product failure or damage caused by other problems except the product itself.
